**June 2022**

Dear Chevy friends,

The OCVCCA Picnic in the Park was a huge success. We added six new members because of this effort. Thanks to Gregg, Fred, Colleen, Bill, Gary, and everyone else that rolled up their sleeves to make the picnic a very enjoyable event.

To each of our new members, WELCOME! We hope to see you at the next meeting and at an OCVCCA event soon!

Our next meeting is set for Tuesday, June 14<sup>th</sup> at 7:00 PM at the Church of the Foothills in Santa Ana.

Sabrina is organizing a tour on July 9<sup>th</sup>. This will be an Area 1 Tour to see the Segerstrom Shelby Event Center in Irvine. We will tour the two different car collections at this new venue, and then have lunch nearby.

The deadline to register for the VCCA 60<sup>th</sup> Anniversary Meet is June 25<sup>th</sup>. If you want to join in the fun, you can still register online at [vcca.org](http://vcca.org).

Until next month, remember; life is a journey not a destination, so relax and enjoy the ride!

*Jim*

A Vega famously fell apart just eight miles into a test run - with the chairman of Chevrolet at the wheel. It was also more adept at guzzling oil than being a car. Lovely. Even our beloved Chevrolet Company can make a mistake.

It's time to start thinking about registration and attending our car show. You can pick up brochures at our business meeting, look them up on our web site, copy, print and register. Also distribute them to everyone who would be interesting in participating. You can register on line. More information coming soon.

Applebees

We meet many of our chapters members in La Mirada and caravanned, led by Jim & Sabrina Karras. We had a great lunch at Marie Calenders in Camarillo on the way and a nice dinner at Applebees for just us OCVCCA members.

On Friday we went to the Stage Coach Inn in Newbury Park.

Bill, Colleen and Steve Ingalls getting ready to go.

Then on to the Malumet Private car collection in Thousand Oaks where a nice pizza lunch was included.

At 1PM we toured the Camarillo Air Museum.

That night the whole group was treated to an "Ice cream" treat.

Saturday morning we went to the NOAA (West Coast weather facility). Then to the Channel Island visitors Center.

Then we went to the Port Huenene Navy Base and toured the See Bee Museum (Navy Construction Battalion).
